HENRY & HENRY

LOOKING BACKWARD

(Twenty-Second Installment.)
Compiled by Judge B. T. Davis.

The Constitutions of Kentucky have always provided for the election of a Governor and a Lieutenant Governor, and that upon the death or resignation of the Governor that the office shall be filled by the Lieutenant Governor. James D. Black is Governor now by succession, upon the resignation of Governor Stanley.

In 1816, George Madison was elected Governor but died before being installed into the office. Gabriel Slaughter had been elected Lieutenant Governor and it was a question whether or not a new election should be called or whether the Lieutenant Governor elect should succeed to the full term. In this controversy it was decided that Gabriel Slaughter should succeed to the full term.

A hundred years ago this country was recovering from the effects of war. The condition of mankind perhaps more worldwide than the war just closed. Under the administration of Gabriel Slaughter a great political conflict commenced which injured the state for more than ten years.

During the Napoleonic wars which had just closed in Europe, prices of all commodities had risen for the purchase of which the people had become loaded with debt and the cry for relief from debt was universal. It was not more possible then than now to produce cheap commodities with high priced labor with high priced material.

It was ascertained a hundred years ago that relief could not be obtained by an increase of paper money. In a single session of the legislature in 1817-18, forty independent banks were chartered with an aggregate capital of ten million dollars. In the summer of 1818, the state was flooded with the money of these banks. Speculation sprang up in all directions. Large loans were rashly made and rashly expended. In the meantime the pressure of debt became terrible and the power to repay judgments was extended from three to twelve months. During the summer of 1820 the cry for further relief became overwhelming and the majority of both Senators and Representatives were pledged to some measure to relieve the debtor from the consequences of such rashness.

At the session of 1820, the bank of Commonwealth was chartered. It was a kind of State paper mill whose chief and sole business was to grind out paper money in endless profusion. It was paper money with no guarantee of redemption. It was made payable and receivable for public and private debts and for taxes, and the creditor who refused to receive it was forced to wait two years. The only security for the paper money of this bank was the pledge of land owners by the state west of the Tennessee River in what is now known as the Purchase. The creditor had his choice of two evils, one was to receive payment of his debt in this paper of the Bank of Commonwealth, which was worth less than the value of the land, and at the end of that time do the best he could, running the risk of new delays and bankruptcy of the securities.

Politicians in those days inveighed against capital and wealth the same as at present. The attempt to create something out of nothing was fully tested. The debts of the people could not be liquidated with a law requiring it to be accepted in payment of public and private debts and taxes. The Purchase contained the "promised land" but same was not readily available as money.

Arthur Rose, son of Mr. and Mrs. C. L. Rose, of this county arrived home Sept. 10th, after having been in the navy for 14 months. After receiving his training at the Great Lakes 1 month he left for Hampton Roads, Va., and went aboard the U. S. S. Illinois, Jan. 10th, where he got his training as a fireman. Then he went on the U. S. S. Gorontota, Feb. 24th. This was his first ship on sea. First trip was from Norfolk to New Orleans, and when returned from New Orleans started across. Left Norfolk April 7th, arrived in Hamburg, Germany, April 27th. En route to Hamburg he saw the mid-night sun north of the Shetland Islands. From Hamburg, went to Rotterdam, and turned the ship over to the Dutch, from there went to Cardiff, Wales. Saw this the country of his ancestors on his father's side. Went on the U. S. S. to Lake Havney, May the 17th. Made quite a few trips from England to France, also touching the borders of Norway, Sweden, and Denmark. He sailed from Bordeaux, France, July 31st for the U. S. A., anchored at Graves Bay, Aug. 15th. Went in dry docks at Brooklyn, N. Y., turned the ship over to the shipping board, and the crew was transferred to Bay Ridge training ship for discharge. He was in New York four weeks then transferred to Pittsburgh, Pa. for honorable discharge.

DANGER SIGNALS OF BAD BLOOD.

Pimples on the face, bunches in the neck, sallow and swarthy complexion, sores, ulcers, mucous patches, copper colored spots, scaly skin affections, constipation, inactive liver, dyspepsia and stomach troubles are common symptoms of poisoned blood. There is no remedy offered today to the public that has so successfully cured these diseases as "Number 40 For The Blood." An old doctor's prescription containing the most reliable alteratives known to medical science.

Put up by J. C. Mendenhall, Evansville, Ind., 40 years a druggist. Sold by Cowgill's Drug Store.

LAND FOR SALE.

174 acres of fine land, one-half mile from Bondurant, Ky., at a bargain if bought at once. See or write Samuels and Shelton, Clinton, Ky.

IF YOU ARE SENDING AWAY VALUABLE PAPERS, BONDS, ETC., BY MAIL, LET US INSURE THEM FOR YOU. THE RATE IS VERY LOW.—Henry & Henry.

DIVISION ROLL CALL QUOTA ANNOUNCED

THE sum of \$1,880,000 has been announced by the campaign manager of the Lake Division—Ohio, Indiana and Kentucky—for the Third Red Cross Roll Call November 2-11.

This amount represents the share of this division in the \$15,000,000 fund asked from the nation to complete war relief activities abroad during the coming year.

No quotas for membership are to be set. It is hoped that this Roll Call will make membership in the Red Cross universal.

In the last drive for funds the quota for this division was \$9,400,000, and was over-subscribed by more than \$4,500,000. State and county quotas for this drive are to be announced shortly by state campaign managers.

The November drive is the only Red Cross campaign this year. In succeeding years there will be an annual Roll Call to enroll members and make possible the continuance of service to Americans—the peacetime ideal of the American Red Cross.

JUNIORS HOLD DRIVE

THE opening of school this year has an additional interest—the enrolling in the Lake Division of 200,000 members for the Junior Red Cross before the first of the month of school is over.

This will make the membership of a million that Junior auxiliaries in the division are eager to obtain.

Members of the Junior Red Cross will assist in the Roll Call, November 2-11.

SOLDIERS IN CAMP USE R. C. SERVICE

WHEN a man makes the change from military to civilian life he depends upon the Red Cross workers at camp to help him in the transition. Workers in the Lake Division camps have found that the need has increased in the past few months rather than lessened.

Of the 24,677 men who passed through the demobilization mill at Camp Taylor last month, 2,502 were recorded as new cases for Red Cross. To be helped in one way or another. This total puts Camp Taylor at the head of the list for all camps in the country in volume of work of this kind. Camp Sherman stands third.

NURSES FIGHT DISEASE

RED Cross nurses discharged from overseas work are choosing public health nursing and positions as instructors in home hygiene and dietetics as their peacetime occupation. "The germ army killed more Americans in the last four years than the German army," is their slogan. Four have been assigned during the past month to public health service in the Lake Division.

Fifty Red Cross nurses—instructors of classes for women and girls outside the nursing profession—are meeting in Cleveland September 18-20 to discuss means of teaching the general public how to avoid diseases.

RED CROSS HUNTS FOR MISSING MEN

THE Home Service sections of the American Red Cross in Ohio, Indiana and Kentucky are helping to locate soldiers who have disappeared since their discharge from military service.

One is Sergt. Russell Irving Viles, discharged June 17 from service with the Motor Transport Corp. #13.

Private Harry E. Ross, Co. H, 26th Infantry, First Division, A. E. F., was wounded while serving at Soissons July 19, 1918. Since that time only in definite reports have reached his mother, Mrs. Clark D. Ross, 4042 Third St., Des Moines, Ia.

Private Joseph Burch Walker of Monteagle, Tenn., is believed to be mentally disabled as the result of gas. He was with Co. I, 138th Infantry, and was discharged from Camp Dodge in June.

Private George Nelson, C. E. F., has been missing since February 1, 1919. He is suffering a lapse in memory following shell shock.

Any of these men may be in the Lake Division, ignorant of names and addresses. The Red Cross has been of valuable assistance to the army in finding missing men.

VOLUNTEER

Be one of the million workers in the country who will help to enroll Red Cross Members in the Third Roll Call November 2-11.

The Red Cross needs \$15,000,000 to complete war relief obligations overseas. The Lake Division's share is \$1,880,000.

The Red Cross needs new members for 1920 to carry on Red Cross service for Americans. Your chapter needs you.

VOLUNTEER

No dull days or off seasons at this store. Here you will find the household articles you want at a price you are willing to pay. Below is a few of the items carried in stock:

It Helps!

There can be no doubt as to the merit of Cardui, the women's tonic, in the treatment of many troubles peculiar to women. The thousands of women who have been helped by Cardui in the past 40 years, is conclusive proof that it is a good medicine for women who suffer. It should help you, too.

Take

CARDUI

The Woman's Tonic

Mrs. N. E. Varner, of Hixson, Tenn., writes: "I was passing through the ... My back and sides were terrible, and my suffering indescribable. I can't tell just how and where I hurt, about all over. I think ... I began Cardui, and my pains grew less and less, until I was cured. I am remarkably strong for a woman 64 years of age. I do all my housework. Try Cardui, today. E-76

You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness. GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or im-paired hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface of the throat. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. For the full story, write to F. J. CHENEY & CO., Toledo, O.
